SECONDARY ID VERIFICATION

Please note: A secondary form of identification may be required when picking up your vehicle. Acceptable forms of identification include passports and state-issued photo ID cards.

Helpful Tips

- If you need to cancel 24 hours prior to the scheduled pick-up time, we will refund the full prepaid amount, less a \$50.00 USD processing fee. If you do not cancel your reservation within 24 hours of the scheduled pick-up time, a refund of the full prepaid amount, less a fee of \$150.00 USD, will be charged. If you fail to pick up the car, entire prepaid amount will be forfeited.
- Please bring your valid driver's license when you pick up the vehicle. If your driver's license is not issued in the US, then you must present your passport in addition to your driver's license.
- This location offers after hours key drop service. Please contact the location for additional details.
- A credit card is required in order to pick up the vehicle. Budget accepts most major credit cards. At the time of the rental, we will request an authorization (hold) on your credit card for the estimated rental charges.
- **Please note: At the time of rental, there will be a hold amount of up to \$300 USD for credit and debit cards**
- If you are planning to use a debit card, please read our [debit card terms and conditions](#) for more information about the use of these types of cards. When using debit cards at airport locations, proof of a return flight that coincides with the rental must be shown.
- If during your rental you connect or pair your mobile device with the car (for instance via Bluetooth® or USB port), please unpair your device and delete any personal data stored on the car's infotainment system upon returning the car.
