**Dana - here is my itinerary for the Norway trip - perhaps your people could give me an estimate on it:**

Note that my United Airlines frequent flyer number is 00024188450 and that I will want credit on the UA flights as well as the SK and BD flights. Also I think I can get UA credit on the DL flights (I also have a Delta frequent flyer number 2104897984, an American number HJL7276 and a Northwest number which I don't have at hand but I can get)
